## **The Silver & "Green" Store at Crater Lake**

Xanterra's Annie Creek Restaurant & Gift Shop at Crater Lake National Park is LEED-Silver Certified and features LEED components such as:

100 percent of the building's electricity supplied by renewable sources (wind power), through the purchase of Green e-certificates.

Through cooperation with BioMass of Oregon and on-site processing operation for site-clearing debris was implemented to greater reduce the amount of hauling needed.

Carpets that meet or exceed the Carpet and Rug Institute's Green Label Indoor Air Quality Test Program standards. 25 percent of building materials include recycled content based upon LEED calculations.
